

MINUTES  
Suring Sportsman's Club  
Wednesday, June 29, 2022

1. The meeting was called to order by President Bill Madison.
2. The secretary read the minutes from the May 25, 2022, meeting. Bill M. called for a motion to accept the minutes as read. Gary Hischke so moved. Kurt Bruegl seconded. The motion carried.
3. Don Trester gave the treasurer's report for May 2022. Received the rebate for the deer carcass dumpster we sponsored for the 2021 deer hunting season. Bill M. called for a motion to accept the treasurer's report. Kurt B. so moved, and Jay Tousey seconded. The motion carried.
4. Old business:
  - The club wants a sturdy table up at the bow range for sighting in cross bows. The bow range situation was assessed, and it has been decided that pressure treated wood would be cheapest for the bow range sighting table frame and composite for the tabletop. This is intended to be stationary.
  - The gong on the rifle range still needs to be repaired. Gary Hischke said he'd bring the welder out and fix it.
5. New Business:
  - The posters for the 2022 Youth Outdoor Fun Day were approved and the secretary will be getting these printed.
  - The big tent is paid for and has been scheduled for delivery and Bill will be getting the permit from the WDNR to stock Rainbow trout for the trout tank.
  - Someone needs to make sure that the trap thrower works.
  - We need a volunteer or two to help out with the rifle range.
  - We need to make note of all donors that give items, etc. for the Youth Outdoor Fun Day.
  - Secretary to print more maps to be available for handout.
  - Kurt Bruegl made a presentation for a life member plaque. Bill called for a motion to have it made. Gary Hischke so moved, and Jay Tousey seconded. The motion carried.
  - Mark D. reported that the lawn tractor isn't working well and takes awhile to get it going before it will cut. Arrangements were made for Don T. to pick it up and bring it to get checked over again.
6. A motion to adjourn was called for by Bill Madison. Jay T. so moved, and Kurt B seconded the motion. The motion carried.
