4. Old business:
 - All ranges are ready for use and we're just waiting on the new 3D targets for the archery range. They're estimated to arrive in December, so we'll be able to install them in the spring of 2023.
 - The Wiscobee Lake fishing pier DNR grant situation was discussed. It was recommended that since we don't need permits that we should proceed with its installation. Gary Hischke made a motion to do so. Chris Jonet seconded the motion. Bill called for a vote and the motion carried.
5. New Business:
 - We're doing the DNR deer carcass dumpsters again this year. They will be placed in the Suring Village Hall parking lot.
 - We purchased the beer cooler that was discussed last month for \$800. We're going to build a stand with wheels for it so it can be easily moved.
 - The SSC Banquet Committee gave their report. We need to get the new tickets for the gun board to Steve G. so they can be prepped before the banquet. We also need to buy all new double tickets and we need 2 more people to volunteer for the bucket raffle.
 - Gary discussed a donation for the Oconto River Kids. Bill called for a motion for our club to donate \$50. Chris Jonet moved, and Jay Tousey seconded. The motion carried.
6. Future Business:
 - We will be going through the list of items needed and tasks to be completed for the 2023 Youth Outdoor Fun Day, at a future meeting.
