4. Old business:
 - We'll plan to work on the pheasant habitat for Spring of 2024. We need 14' poles to repair some of the pens and the external fencing. We're still considering whether we want to raise them or not (they're perhaps less expensive to buy them mid/full grown).
 - The entry gates, as well as the gate going to the rifle range, have been redone. They're very bright and reflective at night. The front gates need to be lifted up, so they'll close better.
5. New Business:
 - Leigh D. read an email request from Scott Katzka regarding his holding the 15th Annual Man Camp, the 1st Saturday in February of 2024. Bill called for a motion to approve the request. Chris so moved, and Kurt B. seconded. Bill M. called for a vote and the motion carried.
 - Gary Hischke made a motion to give \$100 to the Suring FFA Alumni for the Pulaski High School Band, as it cost more than expected for the band to perform at the 2023 Suring Labor Day Parade. After discussion, Lenny Madison seconded the motion. Bill M. called for a vote and the motion carried.
 - The roof on the building near the pistol range needs to redone. H. School will be doing the work. Bill called for a motion to do it before the end of the year. Lenny M. so moved, and Chris J. seconded the motion. Bill M. called for a vote and the motion carried.
 - The banquet committee is on schedule!
 - We should get the road graded before winter comes.

As always, our meetings are held on the last Wednesday of each month at 7:00 P.M.. There are no meetings in November or December.

Bill called for a motion to adjourn; Kurt Bruegl so moved. Lenny M. seconded. Bill M. called for a vote and the motion carried.
