4. Old business:
 - The banquet was a huge success, and it was the second best since 2015. Thank you to everyone who made donations, did the preparation work, and did the cleanup afterwards!!
 - The Suring Youth Trap Club will be able to use our equipment for shooting practice.
 - The berms have been cut down, trimmed, and weed treated by Jay Tousey. Jay also donated the weed prevention treatment that was used to prevent future sumac and weed growth.
 - We need to install some poles/posts and blaze orange fencing on the backside of the pistol range to prevent entry onto club grounds from that side. We're looking at possibly installing a bullet catcher as well.
 - The bow range targets still need to be replaced.
 - The trout take is in good shape. We need to check the aerators and get rid of the hornet/wasp nest that's up in the tank enclosure roof.
 - The outdoor bathroom near the top of the hill needs to be cleaned and have new hinges installed.
 - We still need to find a good source for 14ft. poles for our pheasant enclosure. We will be having a public cleanup day in the future so, please keep us in mind to come out and help.
5. New Business:
 - As there are still a lot of items and areas that need to be mended or repaired in the near future, we will be having a **grounds inspection day Wednesday, April 10, 2024**. We'll be making a list of everything that needs to be repaired and areas that need to be cleaned/cleared.

- The ***Oconto County Sportsmens Alliance Meeting will be held on April 11, 2024, at 6:00 P.M. CST.*** It will be at the Blue Spruce, 8096 County A, at the corner of B & A in Spruce, WI. The Kelly Lake Sportsmen Club is hosting this! *No meal is required. We hope to see you there!
 - ***The Suring Sportsman's Club will be closed on Saturday, April 27, 2024, all day for a conceal and carry class. Mark your calendars.***
