4. Old Business:
 - Kurt B. gave the Labor Day Committee report. We're still waiting for a few receipts to come in, but it was a good year. One thing noted about this year: It would be good to be able to keep the food stand open on Sunday, so people can grab a cheeseburger or something to eat, before the fireworks start.
 - The Suring Police Dept. sent our club a thank you note which reads, "On behalf of the Village of Suring and the Suring Police Department, please accept our sincere appreciation for all your hard work and devotion that helped make the 10th Annual Suring National Night Out such a tremendous success! The continued success of this event is made possible because of your involvement and support! Thanks again!"
5. New Business:
 - We discussed probable activities for the kids in the spring, that could include a special youth turkey hunt similar to the youth deer hunt that we host every fall.
 - The second reading of our new bylaws was read by Vice President Tony Gauthier. The bylaws were noted by Chris J. and Josh A. We have to review a few things before they can be read again at a future meeting.
6. Jay called for a motion to adjourn the meeting. Josh A. made the motion and Chris J. seconded the motion. Jay called for a vote and the motion carried.
