

MINUTES
Suring Sportsman's Club
Wednesday, September 30, 2026

1. The meeting was called to order by President Josh Arndt at 6:30 P.M.
2. Josh A. called for the minutes to be read. The secretary read the minutes of the August 26, 2026, meeting. The secretary made two corrections, one concerning the cleanup banquet and one for the clearing of the brush by the fishtank. Josh called for a motion to accept the minutes as read and amended. Chris Jonet so moved and Jay Tousey seconded. The motion carried.
3. Josh A. called for the Treasurer's report to be read. Kurt Bruegl read the treasurer's report. Josh called for a motion to accept the Treasurer's report as read. Bill Madison so moved and Gary Hischke seconded. The motion carried.
4. Old Business:
 - This year's Labor Day beer sales were down a bit, but beer was also more expensive this year. The club donated 4 30-packs of beer to the Suring American Legion Hall for the Labor Day Celebration. We discussed several ideas, including having Bingo after the demolition derby as an option for next year's event.
 - Fall maintenance needs to be completed before the snow flies. The poles at the 25 yard target on the rifle range needs to be replaced because they're pretty shot up. The upright pole and the cross pole both need to be replaced. We also need volunteers to help get this work completed.
 - The brush still needs to be cut back around the fish tank.
5. New Business:
 - The banquet committee talked with Tom about getting the guns for the 2027 Suring Sportsman's Club Gun Banquet. He will continue to supply our club in the future with firearms for our club's annual banquet.
 - Labor Day discussion: There's no food or fireworks after 6:00 P.M. and there were very few people staying around after the demolition derby. While there a lot of ways to go, we're putting more focus into our annual banquet.
 - Gary Hischke made a motion to adjust the snow removal amount from 3" high to 2" high, for our request for bids.
6. Josh A. called for a motion to adjourn the meeting. Bill Madison so moved and Sam Hujet seconded. The motion carried and the meeting was adjourned.
7. Our next and last meeting, for this year, will be Oct. 28, 2026, at 6:30 p.m.
